Intl. Geography Bee Rd. 1 6:30pm Intl. Geography Bee Rd. 2 7:05pm Intl. Geography Bee Rd. 3 7:40pm Intl. Geography Bee Rd. 4 8:15pm <i>All Students Competing in IGB Will Play in 3 out of these 4 Rounds</i>		History Bee Quarters 7:00 History Bee Semis (as soon as 1/4s finish)				National Ecology & Environmental Sci. Exam 5:00-6:00	
		Humanities Bee Finals 8:20				National Biology Exam 7:00pm-8:00pm	

\* = Students will play in either Block A, Block B, or Block C of the History Bee and will play their rounds at the same time on Fri & Sat. Thus, for example, a student in Block B can take neither the Asian or Women's History Exam.

Students will have preregistered for at most 2 history exams. They can take other exams if they wish by paying \$20 in cash at the door of the exam room for non-preregistered students.

Students who are taking science exams on June 14 should be mindful of the fact that if one has qualified for the finals of the History Bee, or is on a History Bowl team that makes the playoffs, they will not be able to compete respectively in the Earth Science Exam or Biology Exam (though they will get their \$20 refunded if they pre-registered for these). It is also permitted to pay \$20 at the door to take science exams for those who have not preregistered.

Students do NOT need to be competing in the History Bee to take History exams and students do NOT need to be competing in the Science Bee to take Science exams.

Finally, we will do our best to slot students taking the Ecology & Environmental Science Exam into the first two blocks of the Science Bee, but we reserve the right to cap the number of students allowed to register for that exam if over a third of Science Bee students also wish to take this exam.
